Get Rent Payments on Time

AutoPayRent.com is now offering a rent payment program to landlords and property managers looking for an easier, more reliable way to collect rent payments.

The program includes the following services:

- Online payment by electronic check or credit card
- Monthly rent payment reminder available to renters by e-mail or text message.
- Payment for any rent-related fees including screening fees, security deposit, and monthly rent.
- 24/7 Access to customer vault where you can view transactions, deposits, and financial reports.
