Automatic rent payment
by electronic check

Single and Recurring Rent Payments

AutoPayRent.com now offers a scheduled payment program to landlords and property managers that allows you to collect rent automatically by electronic check.

The program includes the following features:

- Payment authorization forms provided for tenants to sign.
- Option to add a service fee to offset cost of electronic payment.
- Receive payment for any rent-related fees: screening fees, security deposit, or monthly rent.
- 24/7 Access to customer vault where you can manage transactions and view deposits.
- Make disbursements to property owners or employees by electronic check.

Payment Plan Details
